

Request for reservation

- For inoculation, we will use Pfizer's new corona vaccine for children (5 to 11 years old).
- It is necessary to receive two vaccinations at intervals of 3 weeks. Those who are 12 years old after receiving the first vaccination will continue to be for children (5 to 11 years old)

Get vaccinated with.

- As a general rule, the new corona vaccine and other vaccines cannot be given at the same time. The new corona vaccine and the other vaccines are one vaccine to each other.

You can inoculate 2 weeks after receiving it.

- If you want to reserve a "family slot" that accepts only family members for individual vaccination, please make a reservation using the reservation method for each medical institution.

If you want to reserve a "general frame" that anyone can receive vaccination by individual vaccination, please have your vaccination ticket ready and contact the City Corona Vaccination Call Center.

Please make a reservation from the city vaccination reservation site. Please note that you cannot make a reservation for the "general slot" even if you contact the medical institution directly.

- Please do not make duplicate reservations for multiple medical institutions or group vaccinations beyond the two doses you actually receive.
- If you cannot get the vaccination on the reserved date, please cancel it immediately.

For parents with children 5-11 years old

• You must be accompanied by a guardian on the day of inoculation.

• When inoculating, in addition to the "new coronavirus vaccination ticket (coupon ticket) for the person (child)" and "preliminary examination slip" sent by mail from Chiba City, "identity verification documents"

(You can check the name of the insured person's card, etc.). Also, since it is used when checking the history of other vaccinations, "Mother and Child Health Handbook"

If you have, please be sure to bring it.

• When inoculating, please sign the name of the guardian in the signature line of the pre-examination slip. If you do not wish to receive the vaccination, please do not enter anything in the self-signed column.

You will not be vaccinated without the signature of your guardian on the pre-examination slip.

• If you have any questions, please see the information from the country or Chiba City in advance, or check with your family doctor or Chiba City Corona Vaccination Call Center.

Please make a decision after convincing.
